- **NAME:** Lucchetta
 - **Dates:** January 09, 2025 - Thursday
 - **Announcement:** The junior girls volleyball showcased their skills with a convincing victory in straight sets over DM yesterday. Today, they traveled to Brock University to compete in a challenging tournament where they faced tough opponents from both inside and outside of the Niagara Region. Throughout each match, the girls exhibited good teamwork and resilience. After successfully advancing from pool play, they faced Cardinal Newman in the quarterfinals. Despite strong efforts and strategic plays, including powerful serves and good defense, they fell short of securing the win. Nice effort ladies!
