  - **Announcement:** The rowing season for our St Francis athletes came to an end this past weekend at the Canadian Highschool Championships.  
It is one of the largest regattas in North America with over 1500 athletes from 123 rowing clubs. That makes for some extremely competitive racing!

Some highlights of the weekend - our Seniors did very well with Kayleigh Giesbrecht and Gabby Bilodeau coming in 11th out of 32 boats.

Jack Ciocca and Russell Robinson took 6th place out of 30 boats

Brenn VanHaaster and Merik Somer 4th place out of 17 boats

The Junior Girls coxed four placed 9Th out of 22 boats.

Kayleigh Giesbrecht and Jack Ciocca. 4th place out of 25 boats in the mixed event.

And Syrah Mills brought home a BRONZE medal in the Senior Women's Lightweight Single event which had 36 boats !!

All the athletes deserve credit for sticking it out thru a long, wet, windy and cold season this year and some great racing by the entire team this weekend.

We bid farewell to 3 of our seniors this year- Syrah Mills, Jack Ciocca and Russell Robinson.

That's a wrap for our 2025 Phoenix Rowing season!

  - **Announcement:** Thank you to all of those students who participated in this year's YPI finals. Each presentation was insightful and really highlighted the amazing network of charities in the Niagara Region. After deliberation, the Baby's Breath charity which offers support to those impacted by Sudden Infant Death Syndrome has won the \$5000 grant. Congratulations to Precious Agbona and Tahlia Mark for their winning presentation. Precious and Tahlia, please see Mrs Lucchetta in Room 141 at the start of period 4.
